# **IMPORTANT: How To Vote For Ron Paul In The Primaries**

To elect Ron Paul for President you will need to vote for him in your states primary.

Many states require you to register as a Republican to vote in their primary.

### **This is crunch time folks!**

And many of those states require you to register many weeks in advance of the primary. I know, its f-ed up, so the important thing is to...

### **REGISTER IMMEDIATELY - THAT MEANS NOW!**

Below is an excellent video (thanks to [BlueRepublican.com](http://BlueRepublican.com)) that explains how the primary system works and how to vote for Ron Paul.

### **DON'T GET HUNG UP WITH THE DETAILS AND DO THE FOLLOWING NOW...**

- 1) Confirm the date of your states primary.*
- 2) Check to see if you need to register as a Republican to vote for Ron Paul AND confirm the date you must register by.*
- 3) Register today - DO NOT WAIT - REGISTER TODAY!*
- 4) Put the date for your state primary in your phone calendar, Outlook Calendar, Google Calendar, and put a freaking sticky note on your forehead now!*
- 5) Make history and VOTE FOR DR. RON PAUL!*

### **Ron Paul can NOT become President unless he wins the primaries - You MUST vote in your state primary!**

**P.S.** There have been changes in the schedules for the state primaries so CONFIRM WITH YOUR STATE to make sure of the exact date and how long before you must register as a Republican...AND DO THAT TODAY!

**P.P.S. FOR DEMOCRATS:** I realize some Democrats are freaking at the thought of possibly having to register as a Republican to vote for Ron Paul in your state primary. With all due respect - GET OVER IT! Regardless of your conditioning, the only difference between the parties now is the way they are spelled. Proof of that is how President Obama campaigned to end the wars but is the biggest warmonger president of our lives! Ron Paul is the ONLY non-statist candidate running.
